## **REPORT AND RECOMMENDATION**

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on August 9, 2006, after receiving the written consent of defendant and all counsel. At the hearing, defendant JACOB STEVEN GUNDERMAN entered a plea of guilty to Count 10 of the Indictment, charging defendant with Distribution of Oxycodone in violation of 21:841(a)(1) and 841(b)(1)(C), in exchange for the undertakings made by the government in the written plea agreement. On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises, apart from the promises in the plea agreement; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to Count 10 of the Indictment be accepted, that the court adjudicate defendant guilty, and that the written plea agreement be

considered for acceptance at the time of sentencing. It is further recommended that defendant

remain detained pending sentencing. Acceptance of the plea, adjudication of guilt, acceptance of

the plea agreement, determination of defendant's status pending sentencing, and imposition of

sentence are specifically reserved for the district judge. The clerk is directed to procure a transcript

of the plea hearing for review by the District Judge.
